PINOT NOIR ROSE
NAPA VALLEY, 2019

"PRIDE EDITION" BATCH #22

"The "Pride Edition" Rosé of Pinot Noir batch is dedicated to our friends and fans, the LGBTQ community of New York." -Malek Amrani

Only 250 cases made.

2019 VINTAGE

A beautifully wet winter set up a nice crop for 2019. Spring was later than usual due to the cool weather, but summer was warm and un-eventful with only one heat spike over 100 degrees, making for ideal conditions for ripening Pinot Noir.

"PRIDE EDITION" LABEL

Our limited production "Pride Edition" label was printed on a rainbow hologram foil with a little bit of glitter.

TASTING NOTES

Batch #22 has a California sunset pink color with aromas of fresh-crushed red berries, watermelon and spring flowers.

On the palette, the mouth-watering freshness keeps you going back for more. The wine is zesty and easy-going with bright summer fruit flavors and a hint of blood orange sorbet.
